Sending Cash Payments via Mail

M&M Consulting
132-1146 Pacific Blvd
Vancouver, B.C.
V6Z 2X7
Canada

We recommend sending your payments through registered mail for security, as it allows tracking and needs to be signed for at all transfer points. To avoid delays, you can either print a copy of your order details or write them down clearly in a piece of paper and send it to us together with your cash payment.

Please note that this payment option is NOT a "Cash-on-Delivery" option. Your orders will be processed when the full payment is received.
